

Concord Middle School ATHLETICS USER FEE

A user's fee of \$50 is in place for all interscholastic athletics at the middle school. The School Committee instituted the fee in order to continue the athletic program. Participants on all interscholastic teams should give a \$50 check made out to CMSAF to the **COACH**, not the school secretary. The fee is capped at \$150 per family.

If you are in need of a scholarship, your request must be made IN WRITING to the principal before the first game of the season. Students will not receive a uniform until the fee has been paid or a scholarship has been granted.

We thank you for your prompt response and understanding and are looking forward to a wonderful season.
