

BACK TO SCHOOL NIGHT

You are cordially invited to attend our annual “Back to School” nights on Thursday, September 28 at Sanborn and Thursday, October 5 at Peabody. This night is reserved for parents and guardians.

The purpose of “Back to School” night is to provide you with an opportunity to become acquainted with the teachers your students will have for this school year. The academic teachers will provide a brief overview of their disciplines and will outline their expectations for the year. Special area teachers will be present to discuss their programs. Any need for personal discussions with individual teachers should be scheduled for another time through the Guidance Department.

Each evening will begin at 6:45 p.m. Justin Cameron, the Principal, will provide an overview. At 7:00 p.m. you will receive instructions about the evening’s agenda. We look forward to seeing you.
